

CALLING ALL ARTISTS

**WE INVITE YOU TO PARTICIPATE
IN THE 2018**

“FACES OF TRINITY LIVING” PORTRAIT EXHIBIT

Once again, **Trinity Living Center** is opening its doors to area artists by providing models for portraits. Biographies of our participants are available to you, providing a sense of connection with your subject. Portraits may be started at any time and will **need to be turned in no later than August 10, 2018**.

With your help, we can literally put a face on Trinity Living Center. Our ministry of care to frail elderly and disabled adults is vital to our community. Our participants' faces are etched with years of working, loving and living. Your artistic talent is a gift, and your presence in our center will enrich the lives of our participants. We hope this experience will enrich your life as well.

You may work in the medium of your choice. If you choose, you may bring your camera and photograph the model and complete your work at home. Or, a photograph of the model will be provided for you to work from.

Once completed, the portraits will be on exhibit at Waterworks Visual Arts Center beginning October 3rd, with an opening reception on October 18th. In early November 2018 the portraits will be presented to family members to keep and cherish. In past years the “Faces of Trinity Living” portraits have received coverage in feature articles in the Salisbury Post, as well as exposure in the Salisbury Post's Time Out. In addition, your biography will be displayed beside your work of art.

We look forward to another incredible exhibit of fascinating faces which will showcase our mission and your talent. To participate, please call Trinity Living Center at 704-637-3940 or send an email to cjoyce@trinitylivingcenter.net. Further details will be provided at that time.
